Super-Fun Guides: Who are great with families and children.

Your Own Family House: So families can do all their activities privately and together.

Children's Activities: From thrilling adventures to immersive cultural experiences, there's something for every child at OL Lentille:

Young Warrior Camp: Spend an adventurous day with Maasai warriors, and learn the basics of bushcraft. Children will learn to start a fire with rocks, to read footprints, to build bows and arrows and songs to keep wild animals away.

Camel Safaris: Experience the wilderness from a unique perspective, on an exciting camel journey which ends at a river where you can go for a refreshing dip.

Maasai or Samburu Village Visits: Delve into the rich tapestry of Maasai or Samburu culture. Children will learn about responsibility from an early age, gaining insights into herding, home life, and survival skills from the elders.

School Visits: Engage with local children by visiting a school supported by OL Lentille. Join classes, participate in games of football during recess, or for older children, share a lesson with eager young minds.

Movie Under the Stars: Unwind with a magical movie night under the vast African sky. Enjoy hot chocolate and S'Mores by the campfire as you bond with loved ones.

Beadwork with Village Mamas: Get creative with traditional beadwork alongside village mamas, crafting your own bracelets or necklaces as cherished souvenirs.

At OL Lentille, family adventures are more than just vacations - they're lifelong memories waiting to be made. Join us for an unforgettable journey where every moment is crafted with care and excitement.
